

Pre-Employment Authorizations and Disclosures

Authorization to Review Official Personnel File and Contact References

I hereby authorize any representative of the CalHHS Office of Technology and Solutions Integration by this release or copy thereof to:

- Review and obtain my State Controller's Office (SCO) Personnel Information Management System (PIMS) history, performance evaluations, probation reports, notice of adverse actions, settlement agreements, and any other personnel/payroll related information.
- Conduct an employment reference by contacting my current and/or previous supervisors, subordinates, or co-workers for personal and professional reference information.
- Examine, inspect and/or copy any records reflecting my employment history, including records of my education, personnel history, supervisory or organizational files relating to my application for employment.

This authorization is valid for 90 calendar days from the date of signature.

Disclosure of Relatives or Close Personal Relationship

OTSI's Favoritism and Nepotism Policy details specific prohibitions of employing relatives or who have a close personal relationship where:

- They supervise one another.
- They have a direct or indirect supervisory/subordinate relationship. For example, an immediate relative of a manager will not be employed in any entity of the same Project/Division.
- They may influence the work, privileges, or status of one another.

Project/Division of position interviewing for: _____

Are you related by blood or marriage or do you have a close personal relationship with anyone who works in this Project/Division? ☐ Yes ☐ No
